ABOUT BHARATHIDASAN UNIVERSITY & IECD

Prof. P. Manisankar, Ph.D., D.Sc., the ilustrious scientist, noble administrator and Eminent Vice-Chancellor of Bharathidasan University is the Chairperson of IECD.

The University, named after the revolutionary Tamil Poet Bharathidasan, was established in 1982. The University got recognized by the UGC under 2f and 12B on 26.11.1984. Celebrated its silver jubilee in the year 2007, this young and vibrant institution continues to make rapid strides in the fields of higher education, research and extension activities. It is Re-Accredited with 'A' grade by NAAC. While the University proudly traces its footprints of achievements, it also looks upto a bright future, true to its motto, "We will create a brave new world". The spirit of its motto, it has a large number of academic innovations through its 16 Schools & 37 departments to its credit. The university has been given affiliation to 151 colleges under its jurisdiction.

The first university in India, conceived the concept of Computer Science during 1980s and introduced B.Sc., Computer Science in one of its affiliated colleges in rural area during 1985.

The University established the Institute for Entrepreneurship and Career Development (IECD) during 2004-2005 as a self-supportive autonomous institution. To address unemployment problem, the IECD is offering entrepreneurship and skill development training to the Youth.

For rehabilitating various types of beneficiaries, it offers many skill development Certificate / Diploma / Advanced Diploma/ PG Diploma programmes through on campus and off campus in Tamil Nadu. So far 2,64,204 students have been benefitted through various programmes offered by IECD. The students who successfully complete SUITS programme deserve to get our University certificate.
